REPRESENTATION FEE

A. Purpose of Fee

If an employee does not become a member of the Association during any membership year (i.e. from September 1st to the following August 31st) which is covered in whole or in part by this agreement, said employee will be required to pay a representation fee to the Association for that membership year. The purpose of this fee will be to offset the employee's per capita cost of services rendered by the Association as majority representative.

B. Amount of Fee

1. Notification.

Prior to the beginning of each membership year, the Association will notify the Board in writing of the amount of the regular membership dues, initiation fees and assessments charged by the Association to its own members for that membership year. The representation fee to be paid by non-members will be determined by the Association in accordance with the law.

2. Legal Maximum.

In order to adequately offset the per capita cost of services rendered by the Association as majority representative, the representation fee should be equal in amount to the regular membership dues, initiation fees and assessments charged by the Association to its own members, and the representation fee may be set up to eighty-five (85%) per cent of that amount as the maximum presently allowed by law. If the law is changed in this regard, the amount of the representation fee automatically will be increased to the maximum allowed, said increase to become effective as of the beginning of the Association membership year immediately following the effective date of the change.

C. Deduction and Transmission of Fee

1. Notification.

Once during each membership year covered in whole or in part by this agreement, the Association will submit to the Board a list of those employees who have not become members of the Association for the then current membership year by November 1st.

The Board will deduct from the salaries of such employees, in accordance with paragraph 2 below, the full amount of the representation fee and promptly will transmit the amount so deducted to the Association.

2. Payroll Deduction Schedule.

The Board will deduct the representation fee in equal installments, as nearly as possible, from the pay checks paid to each employee on the aforesaid list during the remainder of the membership year in question. The deductions will begin with the first pay check paid.

- a. Ten (10) days after receipt of the aforesaid list by the Board; or

- b. Thirty (30) days after the employee begins his or her employment in a bargaining unit position, unless the employee previously served in a bargaining unit position and continued in the employ of the Board in a non-bargaining unit position or was on layoff, in which event the deductions will begin with the first pay check paid ten (10) days after the resumption of the employee's employment in a bargaining unit position, whichever is later.

3. Termination of Employment.

If an employee who is required to pay a representation fee terminates his or her employment with the Board before the Association has received the full amount of the representation fee to which it is entitled under this Article, the Board will deduct the unpaid portion of the fee from the last pay check paid to said employee during the membership year in question.

4. Mechanics.

Except as otherwise provided in this Article, the mechanics for the deduction of representation fees and the transmission of such fees to the Association will, as nearly as possible, be the same as those used for the deduction and transmission of regular membership dues to the Association.

5. Changes.

The Association will notify the Board in writing of any changes in the list provided for in Paragraph 1 above and/or the amount of the representation fee, and such changes will be reflected in any deductions made more than ten (10) days after the Board received said notice.

6. New Employees.

On or about the last day of each month, beginning with the month this Agreement becomes effective, the Board will submit to the Association a list of all employees who began their employment in a bargaining unit position during the preceding thirty (30) day period. This list will include names, job titles, and dates of employment for all such employees.
